SCHOOL CLIMATE SURVEY

We would like to thank our students, parents, staff and school community for taking part in our school climate survey. By providing us with information that is important to you, particularly in the areas of school safety, inclusive education and mental-health and well-being, you effectively helped guide school planning. Together, you identified what we do well, where we could improve and what your priorities are. Here is how your feedback is making a difference.

The survey questions that we asked:

1. What are your thoughts on your school meeting the educational needs of all of its students?
2. What are your thoughts on your school's safety?
3. What are your thoughts on how student mental health and well-being is supported in your school?

Top feedback 'themes' that we heard are important to you:

- Safety and Supervision
- Special Needs/Exceptionalities
- Mental Health and Well-Being
- Teaching and Learning

Actions taken as a result of your survey feedback:

- Providing families with more communication about our mandated two Lockdowns and six Fire drills per year.
- Developing strategies for students to handle confrontations in the school yard and on the bus.
- Helping the school community better understand how Mental Health Support (eg. CYW or Social Work support) is acquired.
- Working towards increasing our technology in our school (eg. more class Active Boards and school Wifi capabilities).

If you have comments or questions, please contact Principal **Anna Fortunato** by calling 905-772-3863. Please remember to visit www.ststephencayuga.ca and follow us @stscatholic
